# Original Sixteen to One Mine

527 Miners Street, Alleghany, CA 95910  
(530) 287-3223

The museum is at the far end of town in the same building as the Post Office. There are only two streets in Alleghany as you enter town and they join together about 1/2 mile in. The museum is beyond the place where the roads join together so you can't miss it! Large yellow building on the right.
